

Kontaktparty 2021: Mock Interview

About us

Axpo is Switzerland's largest producer of renewable energy and an international leader in energy trading and the commercialisation of solar and wind power. 5000 employees combine experience and expertise with a passion for innovation. In over 30 countries in Europe, Asia and the USA, Axpo develops innovative energy solutions based on state-of-the-art technologies for its customers. In this way, we open up perspectives and generate new impulses for a life full of energy.

Today we are setting the course for tomorrow's electricity supply: as the largest producer of renewable energies in Switzerland, we are making sustainable investments in the technologies of the future. Our focus is on hydropower, wind and biomass at optimal locations. On its way into this future, Axpo is thus securing a consistently sustainable and climate-friendly energy supply for its customers in Switzerland. Today, Axpo ranks among the leading energy traders worldwide. Our Swiss roots and qualities are highly valued by our international business partners. But the decisive competitive advantages lie in our in-depth expertise in risk management and the close proximity to our customers. The business of tailor-made energy solutions for customers opens up a world of opportunity for Axpo. Which is why we will continue to grow our local presence.

Procedure 1st Interview & Mock Interview

1. Warm-up

The purpose of the "warm-up" is to let the candidate know who is attending the meeting and what to expect.
