

User Guide

If a field is marked with "(Booklet)" it will be exported into the physical booklet that we'll be handing out at the event. All other fields are for the website. Please make sure to fill every field that is marked with "(Booklet)". If you don't have all the information yet, you can still change your data later on (see "Editing a proposal").

If you have questions regarding the symposium tool, feel free to contact us via symposium@vis.ethz.ch.

How to Create a Multi-Person-Proposal (Multiple Speakers / Creating a Proposal for Someone Else)

There is a maximum of three people per proposal.

1. Create a proposal (see above)
2. Make sure the additional speakers already have a speaker account as well
3. Beneath the proposal you'll find a token - you'll need to copy it and send it to the person that is holding the talk with you
4. Afterwards, the other person can click "Join event" and
 - a. Add that token
 - b. Click "Lookup Event"
 - c. Select their role
 - i. If they are an additional speaker, they need to select "speaker"
 - ii. If you are creating a proposal for a speaker and will not be present during the event, select "assistant"
 - d. Click "Join Event"

Another possibility is to copy the link address below the token that states "*This link directly leads to the 'Join event' page for this event.*" When clicking on that link, you are able to go to step 4c.
